#### INTRODUCTION

The South Australian Community Football Facility award annually recognises best practice in community football facility development across the state.

The award aims to promote and celebrate the provision of well positioned, welcoming, accessible, fit for purpose football facilities that support our growing game's strategic priorities.

#### **PROJECT CRITERIA**

Projects should deliver one or more of the following Strategic Priorities:

- Facilities meet the needs of our football community through the provision of inclusive and accessible changerooms, functional medical and coaching areas and welcoming venues that enhance spectator experience.
- Venue capacity is maximised by improving quality of ovals, lighting and supporting infrastructure.
- Growing communities have access to quality football facilities and support the development of and access to new ovals.
- Partnerships are valued and achieve shared outcomes.
- Venues support talent pathways and competition growth for players, umpires and coaches.
